ROLL'N REBELS

The Prez Sez November

What a great weekend at Grand Oaks! A big thank you to Ellyn (and Joe) for single handedly (maybe a few helping hands) put on a wonderful rally. We (especially Ellyn) missed Co-hosts Bruce and Barbara Kanoza, and hope Bruce is feeling better soon.

The campground was very nice with horse arenas within walking distance, which many people took advantage of during the jumping events. There was also a gun show, which several of the men enjoyed, including myself.

We had our annual business meeting in which our slated officers, 1st VP-Ellis Warmkessel, 2nd VP/Wagon Master -Chris Robinson, and Treasurer- Gary Stone were voted in. Position of President and Secretary were not up for re-election at this time. Congratulations to the new officers!

We also discussed the FMCA Perry rally coming up in March. Chris Robinson has volunteered to coordinate a Roll 'n Rebel Caravan to the event. Please let Chris know if you are planning on attending and would like to join the caravan.

Please remember to keep Bobby Walters and Dave Gibson in your prayers and they go through major medical issues.

December's rally is at Resort at Canopy Oaks. The Wilsons and Cinaders are the hosts. We hope to see everyone there!

The Prez Sez December

Happy Holidays to all. We just returned home from Resort at Canopy Oaks. It was a very nice campground, and we had a great rally, with a few challenges which made it interesting. The hosts were the Cinaders and the Wilsons, but of course the wives, and other ladies with helping hands did all of the work. The husbands were there just for the muscle.

Some issues that we have not seen before, like charging \$150 an hour for use of the clubhouse was a little shocking, but the campground worked with us, understanding that this has not been common practice, and that small chapters cannot afford to put up that kind of money. They also charge \$100 a day for use of the kitchen, but with crockpots, toaster ovens and a roasting pan, we managed.

Anyway, for our chili and soup dinner Friday night, we moved outside to one of the resort tiki huts. The weather was wonderful, and we ate our fill of chili and soup. All of the cooks did a great job, and everyone especially enjoyed Vicki's clam chowder! The following night we were able to sneak back into the clubhouse and have a ham dinner with all of the fixings.

We had two nights of games, Nickels had us laughing with Sandy, Vangie and Cathy winning. A second night playing Left/Right/Center kept us laughing with Ron, Cathy (again!) and Dennis winning.

On Saturday we had a rousing game of bean bag baseball with the ladies vs the gentlemen. I am sorry to announce that the ladies came away with a routing victory of 9-2!!

We wrapped up Saturday night with our gift exchange. It was pretty subdued with very little stealing, although the dashcam was stolen twice, as was the Jack Daniels gift pack.

Laurie and I want to thank all of you who donated clothes, toys and money for the needy families in East Pasco County. This year, instead of food, the school asked for clothing and toys to make sure every child had a memorable Christmas. So Laurie went on the hunt for deals and bought 15 pairs of pajama pants, 10 pairs of wooly socks, several sweat shirts and other miscellaneous items. The schools are deeply grateful.

We welcomed the Camunas family-Mike, Patty and their daughter Brittany. We must have made a good impression since they joined the club!

Please continue to keep Bobby and Mary, and Bruce and Barbara in your prayers during these difficult medical challenges.

Next month we head to Paradise Oaks RV Resort in Bushnell, (352)251-2004. Please make your reservations and let the Stones (garystone1955@gmail.com) know you will be attending.

Merry Christmas-Happy Channukah and Happy New Year!

Jim
