

# THE BANNER

## JAN 2023

# ROLL 'N REBELS

### The Prez Sez January

Thank you to the Stones and Robinsons for a great hosting job at Paradise Oaks. As usual we ate and ate starting with a delicious hot dog happy hour and keeping warm around Gary's propane fire pit. We enjoyed Vickie's red lasagna and Theresa's white alfredo lasagna.

Welcome to our newest member Kristine Johnson. She's a terrific addition to the Roll 'n Rebels.

The executive board had a short meeting to discuss ordering pens with the Roll 'n Rebel logo. These pens will be used at chapter fairs and some will be given to each member to distribute in their travels.

As par for the course, we lost our hot water again, but with Gary on the phone with an aqua hot tech and me on the phone with Entegra, we were able to bypass the system and enjoy a hot shower and heat! Upon returning home, the tech came out and replaced the control thermostat, so no more bypassing.

The whole club went to Pico De Gallo for Dinner on Saturday night followed by cake and ice cream for dessert back at the clubhouse. Several played different games this weekend, while others just kicked back and socialized.

Again, I would like to extend our condolences to Nola on Dave's passing. Nola has informed us that there will not be a formal funeral, rather when Nola returns to the Roll 'n Rebels, she will be bringing champagne to lift a toast to Dave. Dave was always smiling and had a zest for life. We want to honor his memory in that way.

- May 18-21—Sanlan RV & Golf Resort—Lakeland (863)665-1726

Happy Valentines Day!

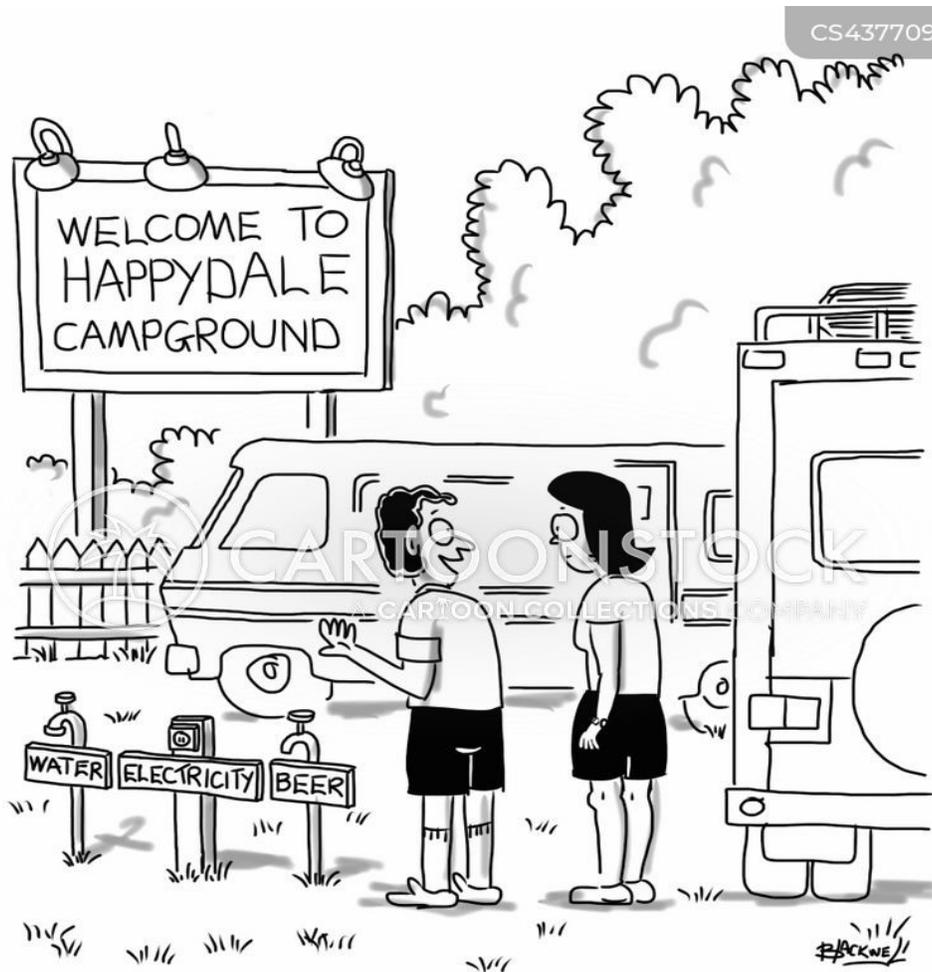

## New Members Bio

Kristine Johnson has been a resident of Dade City for over 45 years, moving to Florida from New York when she was still in high school. She and her husband, Tommy, were avid campers until he passed away in 2011. Now she has downsized to a smaller travel trailer, but still enjoys camping all over Florida, mostly in State and County parks. Her most faithful camping companion is a miniature dachshund named Betty who is almost completely blind.

When she's not camping, Kristine volunteers at a local Thrift Store and Food Pantry, is a Guardian ad Litem, and works with her church Youth Group. She has two adult children, a son who lives in Seattle, and a daughter who lives in Dade City with her husband and 2 adorable children.
