APRIL 2024

ROLL'N REBELS

The Sec Sez April

Hello All!

Our last rally (April) was a lot of fun. We were missing three of our officers due to illnesses. Barbara and I kept things going in their absence.

The park we were in (Santa Fe Palms in Gainesville) was wonderful and very accommodating. Everyone enjoyed the weekend. Steven & Jackie Marsh along with Randy & I were the hosts. Steven & Jackie are new members and jumped right in to help.

Most of the group went on our outing to the University of Florida. They had a history museum and a beautiful butterfly garden. Everyone enjoyed and we had a bagged lunch at the picnic tables.

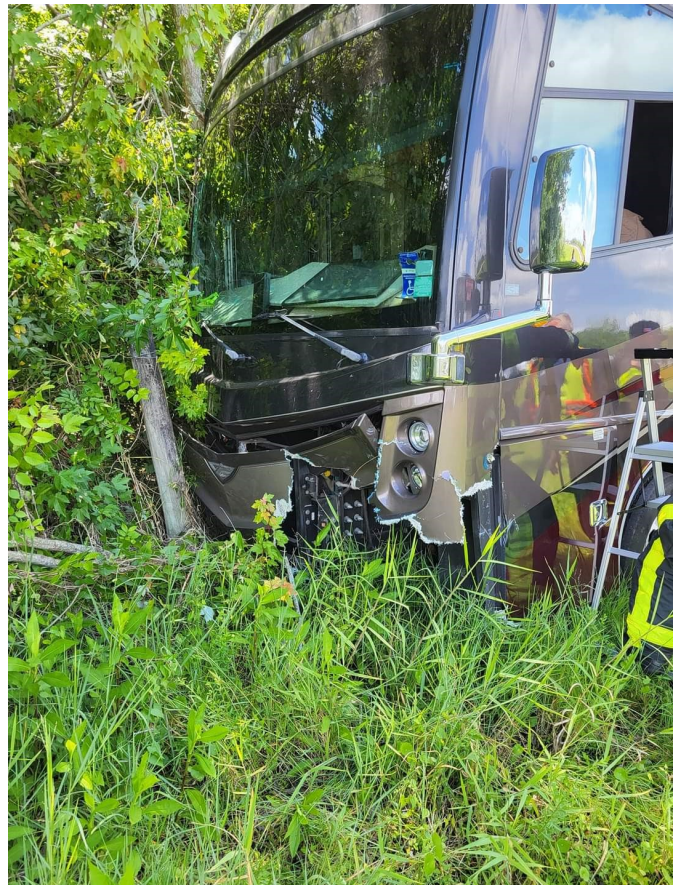

Our Rally Master Barbara booked the park for next camping season. That finalized her schedule for the next season. The info is below in the newsletter and on our website. www.rollnrebels.com . **Please make your reservations two months ahead and notify the Hosts.**

We are still in need of hosts for Feb, Apr, & May of 2025. If you can host please let Barbara or I know.

Bruce and Barbara blew a tire going home from our rally. The coach was totaled, but they and the fur babies were all unharmed. Thank the lord!

Officer Bio

BRUCE & BARBARA KANOZA—Barbara is 2nd VP and our Rally Master

The Kanozas are both from Pittsburgh, PA. Bruce owned a couple of gas/repair stations and that's where we met. Barbara couldn't resist the good-looking guy with the long, curly hair who always seemed to run out to her car to wait on her (obviously before self-service!) We were together seven years before getting married in 1985. We drove to the Street Rod Nationals in Minneapolis, MN, towing a 1927 Model T that we wanted to get in the magazines. What better way to accomplish that than by getting married during the show. And, yes, the car was in magazines.

After selling his shop, Bruce took a job with Progressive Insurance in Cleveland, eventually transitioning to their Tampa office as Senior Claims Trainer. After retiring the first time, Bruce accepted a position with Direct Insurance, eventually becoming State Manager. Did Barbara ever work? Of course! From the age of 15 when she was a Page at the Carnegie Library, she worked in several places, usually in an Executive Assistant position or, her favorite, a Meeting/Event Planner. As a Planner, she traveled throughout the U.S. and into Canada to assure the meetings/events went off without a hitch.

We got our first RV when Bruce finally retired for good. Our first RV with a new, small (22') Class C that we kept for all of two weeks, before trading it in on a new Winnebago Vista. Sadly, the Vista was Winnebago's Lemon of the Year, spending more time in service than on the road.

That was traded in for a new Forza. So, three new coaches in less than two years! The Forza was eventually traded in on a used 42' Fleetwood Discovery.

We belong to two rally groups and absolutely love getting together with each monthly. Always so much fun, laughter and FOOD, FOOD, FOOD!

We have seen so much beauty as we traveled through 46 of the 49 mainland states, as well as Prince Edward Island and Nova Scotia. Our dog, Jewel, and cat, Sammi, are always with us and travel well. We plan to continue traveling as long as we are able. Oh, we need to get yet another coach because the Discovery blew a tire and was totaled as we drove home from our rally at Santa Fe Palms! So coach #5 is being searched for.

As we used to say "Keep on Truckin'" or in our case, "Keep on RVing"!
