## NOVEMBER 2021

# ROLL'N REBELS

### The Prez Sez December:

We ended our 2021 rally season on a high note with a great holiday rally. Thank you to Vangie and Bruce Cinader, who cohosed with Laurie and myself. Vangie kept us on track with great food, including my favorite- pansit, a Philippine noodle and veggie dish, and a wonderful ham on Saturday night.

We spent Friday afternoon at Whispering Oaks Winery with many sips of assorted blueberry wines. Much to my surprise, the assortment included dry wines, comparable to chardonnay, and some different level of sweets, including Cha Cha Chocolate. I think everyone enjoyed themselves.

Our gift exchange fielded many wonderful gifts, and laughs. Only a few steals happened, but everyone seemed happy with their presents. It was a fun and relaxing way to enjoy Saturday night.

Thank you, Bruce and Barbara, our newest Roll 'n Rebel members, who have already stepped up and offered to cohost our January rally. Bruce showed his Christmas spirit in an 'interesting' Saturday night dinner attire. I am sure his outfit will make it in this newsletter! Plus I need to apologize to Bruce for 'stealing' his Alien Tape during the gift exchange. However, I'm glad I did, since we have used it already to finish putting up our Christmas lights!

Also, a big thank you to everyone for their gifts to the east Pasco Schools. Our program has expanded with the generous clothing donations. With the donated money we made a trip to Costco and were able to purchase 20 hams, 20 boxes of stove top stuffing and 20 cans of yams. (as requested by the schools). We had a few dollars left over which will come back to the club for another chosen cause.

Next month, January 13-16, 2022, we will be at Sun n Fun Expo Campus Campground in Lakeland.

Hope you all have a Merry Christmas and Happy New Year, with belated wishes for a Happy Hanukah. Jim

### The Prez Sez January:

January was held in Lakeland at the Sun 'n Fun Expo Campus. We had rookie hosts, Bruce & Barbara Kanoza, assisted by veteran Marlene, who did a superb job feeding us, then feeding us again...the food theme continues!

Thanks to Jacquie for arranging a trip to Winners Circle Sports Bar & Grill to enjoy an evening of chicken wings and comedy. And Saturday, I hope everyone enjoyed the Aerospace Museum with the Earth, planets, flight patterns and a sundry of topics seen on the rotating earth.

Next month we look forward to seeing many of you at the SEA rally, back at Sun 'n Fun Expo Campus. The Roll 'n Rebels are split among many volunteer assignments and I know everybody will do a great job and enjoy the rally.

After that, its on to Paradise Oaks and the midnight train whistle. See you all soon. Jim
